Message from Mr. Corston

As we head towards Spring Vacation we are engaged in the current school year and we begin planning for next year. We have already supplied the District with our projected enrollment for the 2020-2021 school year which is 270. Our current school enrollment is 268.

Please note that registration, specifically for kindergarten, has already happened for 2020-2021. To help with our projections if you know of anyone that has not yet enrolled in their neighbourhood school for next year, please do so as soon as possible. Thank-you for your support.

A reminder, this is a very important time in School District No. 83 connected to the Long Range Facilities Plan. Do not miss the opportunity to be informed and inform the process.

School District No. 83 students, parents, and community members are invited to participate in the consultation process of the Long Range Facilities Plan. Information and ideas gathered from these consultations will guide trustees as they develop the district's 10 year long range plan.

March 11 at 6 p.m. - Sorrento Elementary (Focus is rural schools)

At each session there will be a general overview of the entire district, with discussion focussing on the indicated topic. These sessions will cover the Salmon Arm and greater area (any school which feeds into high school in Salmon Arm). Options are described in the Long Range Facility Plan, and other suggestions are welcomed. Please submit any suggestions or questions to vdeacon@sd83.bc.

The last day before Spring Vacation is Friday, March 13 and students return on Monday, March 30. We want to wish everyone a safe and enjoyable Spring Vacation; have fun!

Terry Fox Run Update

Our 2019 Terry Fox School Run was a great success!

We are proud to announce that Carlin Elementary has generously donated **\$304.40** for cancer research! The Terry Fox Foundation sends a big thank you to our school community for our generosity and support. 40 years later, Terry's message of hope lives on and stronger than ever!

Ready Set Learn

A Ready, Set, Learn event will take place in every elementary school in the North Okanagan-Shuswap.

- Ready, Set, Learn is a free early learning event for families with children who are 3 to 5 years old
- All families will receive free books and a kit of materials and resources to help support their child's early learning experiences
- All families are encouraged to pre-register for the event at their local school or contact Jennifer Findlay at 250-833-2095 or jfindlay@sd83.bc.ca for more information
- **The Ready Set Learn event at Carlin Elementary Middle School will take place on Wednesday, March 11 from 9:30-10:30 in the Learning Commons.**

Message from PAC

Hello Carlin Families,

We had so much fun this winter with Unplug & Play, yummy hot lunches, skiing, skating, tube town and more.

There will be no hot lunch in March but April we will be back with another hot lunch.

The 10th Annual Carlin Country Market Plans are well under way.

Please save garage sale items, books and empties for us. We are organizing a drop off location to start in April so you don't have to hold onto to items until the market; more details to come.

Please check this link to sign up for volunteer spots <https://volunteersignup.org/44ERL> There are days leading up to market as well as the day of. **Many hands make light work and we appreciate everyone's support.** We do this one big fundraiser as a great community event and this years is going to be epic fun!!!

Also if you are interested in being a vendor or donating to our silent auction please email carlinpac@hotmail.com and we will happily send you out a vendor or donation form!!

Thanks,
Carlin PAC

Code of Conduct for Spectators

We have been asked to inform our community of the following information.

POLICY 280 CODE OF CONDUCT FOR SPECTATORS

The Board of Education of School District No. 83 (North Okanagan-Shuswap) believes that inter-school competition provides students with opportunities to pursue excellence, engage in physical activity, and develop their teamwork and leadership capacity.

It is important that these opportunities occur in an environment that is appropriate and positive, and that learning and fair play are a priority. Spectators at all school competitions are expected to support this philosophy and to adhere to the following Code of Conduct.

Code of Conduct:

1. I will show respect for my team's opponents and supporters.
2. I will remember that participants play sports for their enjoyment, and that they are not playing to entertain me.
3. I will have realistic expectations, and will remember that players are not professionals and cannot be judged by professional standards.
4. I will respect the officials' decisions and I will encourage participants to do the same.
5. I will give positive comments that motivate and encourage continued effort or I will remain silent.
6. I will behave in a manner that supports the players, coaches, officials, or other spectators.
7. I will show respect for others by keeping my cheering at an appropriate volume and not use prohibited noise-making devices, such as aerosol air horns, loud speakers (megaphones), whistles, and laser pointers).
8. Should a situation arise with regard to the above, the game shall be stopped (at an appropriate time), and it shall be the responsibility of the home team administration, game director (if applicable), or home team head coach to immediately deal with the problem at hand. There shall be no penalty sanctioned regardless.
9. Enforcement of the Spectator Code of Conduct ultimately falls to the school principal.
