Dear Carlin Middle Families,

This is an exciting event that the middle school organizes annually to encourage students to participate in an outdoor educational event and have the chance to learn new / improved skills. Silver Star Mountain Resort drastically reduces the costs of skiing and snowboarding for school groups. This year, we have been fortunate enough to schedule two days on the hill, which will allow students to practice their new skills and get the most out of this winter recreation experience.

This year we are skiing and/ or snowboarding on Thursday, December 12<sup>th</sup> and Tuesday, December 17th. Students must book both days and if they can only attend one, no money will be reimbursed as per Silver Star policy. In order to be sure that you book both days, you will need to add one day to the cart and then click on the other day and hit add to cart again. This will ensure that both days are booked for your child. Lessons are mandatory for all students regardless of their ability level, and final costs will vary depending on whether a child needs a rental and a lift pass.

#### Here is the breakdown of prices

Lessons (2 hours) MANDATORY - \$58 for both days

Lift Ticket

- \$22 for both days

Rentals

- \$30 for both days

Bussing

- Covered by our amazing PAC

The total amount for both days, if requiring gear rental and lift ticket, is \$1.10 Lessons, Lift Ticket and Rentals are paid online to Silver Star.

If your child will not be attending for any reason, please let their core teacher know by November 28<sup>th</sup>. Students who are not attending Siver Star will be provided with outdoor learning opportunities at the school-

You will be emailed out a link for registration. Here is the URL:

https://shop.skisilverstar.com/s/school-programs-2425/p/school-program-carlin-elementary

Registration is completed ENTIRELY online. Instructions for online registration are attached. **REGISTRATION CLOSES THURSDAY, NOVEMBER 28TH AND CANNOT BE REOPENED.** If you have any issues with registration, please contact the school as soon as possible. If you've never used this system before, parents will be required to make a new account before registering. It's important to be as accurate as possible with measurements during the registration process to ensure your child has proper fitting gear.

We will be leaving the school at 8:40, so students can take their bus as usual. If they are being dropped off by parents, please have them be at the school no later than 8:30AM. If students have their own gear, they can bring it and it will be transported by our parent volunteers as it cannot go on the bus.

Students will take the bus from the school to Silverstar in the morning and will arrive back from the hill around 5:30pm to be picked up by a parent/guardian. If you will be driving your child or picking them up, ensure you have contacted your child's Core teacher.

See the following list for recommended gear list. Each child will be required to wear a helmet, regardless of skiing or snowboarding ability. These are provided with rentals and will need to be included with those who have their own gear.

Any parents that intend to accompany their child on the ski hill must complete the online Criminal Record Check for the school district.

If you have any questions or concerns, please contact the school at 250-835-4520 or email at efoster@sd83.bc.ca

Thank you,

Carlin Middle Teachers

## Required skiing/snowboarding gear:

- Full winter gear. This includes:
  - o Jacket
  - Snow pants or waterproof pants over warm clothes
  - o Gloves
  - o Toque
  - o Extra pair of socks in backpack
  - Winter boots
- Water bottle and an extra big lunch.

Though food and drink is available at the hill, please ensure your child is prepared with their own snacks in case they don't have time to wait for a restaurant or concession.

Before departing, we will be briefing each classroom on expectations while on the mountain and out of bounds areas.
