August 29, 2022

Good morning, Carlin Students and Families,

My name is Mr. Shane Corston, and I am the Principal of Carlin Elementary Middle School. I am happy to be joined again this year by Vice Principal, Ms. Sandra Major. Both of us and our entire staff are excited for the 2022-2023 school year.

At this time the majority of our staffing is complete, however, there is still some movement to happen. Both our elementary and middle school are full or close to full and registration day is tomorrow, Tuesday, August 30.

The first day of school for students is Wednesday, September 7. This is a full day for all students, except kindergarten who begin on Thursday, September 8.

The class lists developed in the spring by us are still the ones we are planning to use, however, there will be changes and as such the lists are a work in progress. **Class placements and first day arrival instructions will be emailed to families Friday, September 2nd.**

Our school website, <https://car.sd83.bc.ca/> has a link to school supply lists and fees for the 2022/2023 school year, along with other helpful information.

Please keep checking your email, our school and the school district websites.

Have a wonderful week.

Shane Corston
Principal

Sandra Major
Vice-Principal
